

Calaveras Transit Service Guide

Effective April 3, 2017

The new transit system features more frequent buses on the main Red Line and improved connections with the feeder routes. Some segments of the feeder routes require advance calls to customer service at **209-754-4450**. Staff is happy to answer questions and help with travel planning.

Wheelchairs and bicycles are accommodated on all buses and vans.

Flag the bus! The bus will stop anywhere along the route that is safe. Call in advance to describe where you'll be.

Deviations up to 3/4 mile off the route can be requested for pick-up or drop-off. Deviations must be reserved at least two hours in advance.

Service animals only.

Bus passes may be purchased from the driver, by mail, or at the customer service center in San Andreas. Fares must be presented when boarding the bus. Drivers do not carry change or accept personal checks or credit cards. Discounted fares are available for people 65 and older and eligible persons with a disability.
